

# Leave No Trace Trainer Course

## June 8-10, 2011 - Camp Decorah

*Saturday 8am - Sunday 12pm*

We must learn how to maintain the integrity and character of the outdoors for all living things.

Leave No Trace is not simply a program for visiting the backcountry, it is an attitude and a way of life.

Learning about Leave No Trace begins with your unit.

The knowledge and concepts enabling visitors to leave no trace are easily taught both before and during outings.

This course is devoted to helping you teach others the value of natural areas and the methods we can use to help protect and conserve these areas for future generations.
