

Polar Cub Day

February 11, 2012

9:00am-3:00pm

at

**Norskedalen Nature & Heritage Center
Coon Valley, WI**

Event Information

Come join the fun at the Gateway Area Council's annual Polar Cub Day. This year's stations will feature themes from "Around the World". Norskedalen Nature & Heritage Center in Coon Valley, WI. Norskedalen is located just minutes from south La Crosse. Norskedalen offers a large variety activities and fun for the Cub Scouts to take part in. Activities being offered will be held indoors and out! Please be prepared for the weather with plenty of warm clothes and lots of layers.

Lunch will be a bring your own sack lunch. A morning and afternoon snack will be provided as well as a craft and event patch to take home. The snacks and craft will relate to the station themes.

Please register early to enjoy this great event with your Cub Scout and Leadership. The event make-up date, if needed, will be Sunday, February 12, 2012. Remember that the items that you need include: sack lunch, warm clothes, boots, extra socks, hat, mittens, winter jacket and snow pants. Sledding at Norskedalen is optional. If you choose to sled you will need to bring your own sledding gear.

Registration

Please complete the Pack Roster reservation form with all youth and adult information. Norskedalen prefers to create name tags for all in attendance. Registrations are complete when payment is received by the Scout Shop and information has been added to the official roster spreadsheet. Registrations will be accepted by mail, in-person, fax - with payment from account or by email when using the scan feature of the pack roster form and payment from account.

Activity Fee

\$15 per Scout

Scout's name must be listed on the Pack Roster Form

Adults may participate at no cost.

Optional Purchases

Winter caps to match the event theme will be available for pre-purchase on the Pack Roster form. A limited number of caps will be available for purchase at the event. The Norskedalen Gift Shop will also be open.
